A note from Page

Do NOT make this recipe if you (or anyone in your house) has a peanut allergy!

These silly cookies are hard to mess up. This isn't only due to the fact that you don't need an oven, but because the crazier the morsels you add, the more tasty they become! They may even attract hungry wolves...

Ingredients:

- ½ Cup of Peanut Butter (Chunky or Smooth)
- ¼ Cup of Honey
- 1-2 Cups of Crushed Cornflakes

Optional Mix-Ins:

- Chocolate Chips
- Crushed Nuts
- Crushed Pretzels
- Shredded Coconut
- M&Ms
- Crushed Cereal

Whatever else you can think of!

Directions:

1. Measure out ½ a cup of peanut butter into a bowl.
2. Add ¼ cup of honey and mix well.
3. Pour corn flakes into a plastic bag and crush with a rolling pin or can of veggies.
4. Add one cup of crushed cornflakes to the peanut butter/honey mixture and stir.
5. If the mixture is too sticky to form into balls or cookie shapes, add more cornflakes.
6. Roll into balls, logs, or cookie shapes.
7. Dip them into whatever mix-ins you'd like (or leave them as is).
8. Put them in the freezer for 15-30 minutes.
9. Eat and enjoy!
