

## Discussion Question If You Could See The Sun

1. How does Alice's socioeconomic status affect her interactions and relationships with her classmates?
2. What does Alice's invisibility symbolize in the context of her life and struggles?
3. Discuss the ethical dilemmas Alice faces when deciding to use her invisibility to uncover secrets. What would you have done in her situation?
4. How does the author use the setting of an elite Beijing international boarding school to enhance the story's themes?
5. In what ways does Alice grow and change throughout the novel? What key events contribute to her development?
6. How do the themes of power and privilege play out in the story? Which characters benefit from these, and how?
7. What role do Alice's parents play in her decisions and actions? How does their relationship evolve?
8. How does the novel address the concept of identity, both in terms of self-perception and how others perceive Alice?
9. Discuss the significance of Alice's friendships in the book. How do they influence her choices and moral compass?
10. What message do you think the author is trying to convey through Alice's story? Do you agree with it?
