THREE Simple Steps to Transform
A Child Into an Author

NOTE TO GROWN-UPS

Hello! I'm Jill Ross Nadler aka Storyologist Page Turner. As a children's author, storyteller, and kids' TV producer, I have often worked with children who were full of wonderful ideas but didn't know how to turn those ideas into actual stories.

This guide walks kids through the basic elements of a story and shows these elements in action using the story THE GREAT PIZZA CONTEST.

The more kids know this story, the more this guide will make sense. A Video Story, an E-Book, and an Audiobook are included with this Adventure. A physical book can be purchased [HERE](#).

Writing stories is a great way for kids to hone literacy skills, develop emotional Intelligence, and become STORYOLOGISTS! This story focuses on cooperation and teamwork.

NOTE TO KIDS

Hi!

I'm Storyologist Page Turner.

A storyologist is someone who travels the world, going on adventures, reading, writing, and telling stories.

It's a lot of fun
and
YOU
can become a
storyologist too!

First, I'm going to
show you how to write
your own story. 😊

Let's get started!

To begin, let me tell you about a story that I wrote.

THE GREAT PIZZA CONTEST

This story is about two pizza makers who live in the same town.

One pizza maker is Vincent Van Dough. He makes delicious dough. The other is Leonardo Da Munchi. He makes delicious sauce.

The people in town argue all the time about whether the dough is more important or the sauce is more important. So, the mayor runs a contest to decide who makes the best pizza in town.

Neither pizza maker wins the contest. So they cooperate and make one pizza together and it's the best pizza in town!

Did you know that every story has three parts?

Beginning Middle End

But what should go in each part?

Well...

1. BEGINNING

At the beginning of the story we start with a main character who wants something and feels a certain way.

2. MIDDLE

Something gets in the way of the character getting what they want.

3. END

The character changes or learns something at the end of the story. They also feel differently from how they did at the beginning.

That's it!

Here's how it worked in

THE GREAT PIZZA CONTEST.

1. THE BEGINNING

**WHAT DOES THE MAIN CHARACTER WANT?
HOW DOES THE MAIN CHARACTER FEEL?**

THE GREAT PIZZA CONTEST
has two main characters,
Vincent and Leonardo.

What do they want?

They each want to be the
best pizza maker in town.

How do they feel?

They each feel angry.

2. THE MIDDLE

WHAT GETS IN THEIR WAY?

The townspeople don't agree about who makes the best pizza.

So, Mayor Ann Chovi has a contest to see which pizza is the favorite. But nobody wins!

3. THE END

HOW DO THE MAIN CHARACTERS CHANGE?

Vincent and Leonardo discover that the pizza tastes better when they work together. They learn that other people can also have good ideas and that it's better to cooperate.

HOW DO THEY FEEL NOW?

Now they are happy and friends.

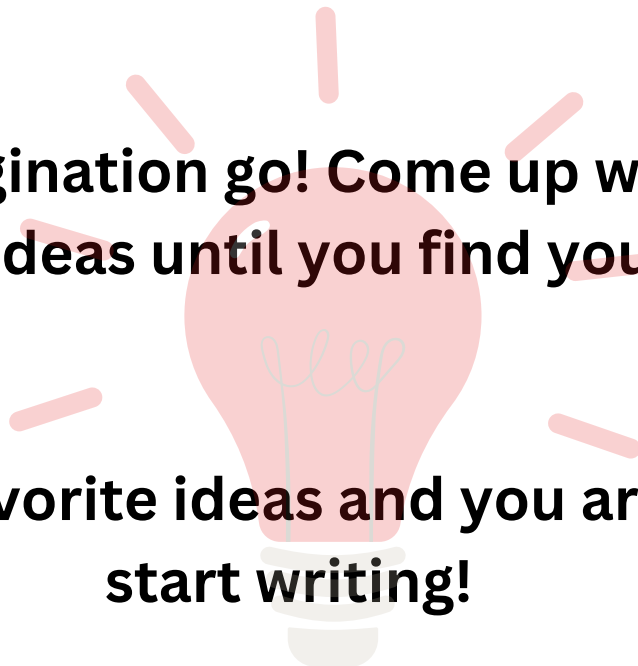

NOW IT'S YOUR TURN TO WRITE A STORY.

**Get ready to answer the 3 questions
by brainstorming first.**
