Swashbuckler Pirate Head Treat
No-Bake Recipe

INGREDIENTS

1 Large Cookie or Rice Cake
1 Blueberry
4 Strawberries - Sliced
2 Banana Slices
Nutella
Aluminum Foil or Parchment Paper

DIRECTIONS:

First, prepare the eyepatch.

1. On a piece of parchment paper or aluminum foil drip strings of Nutella for the strings on the mask and flat circles for the eye patch.
2. Place the Nutella in the freezer until it and can be peeled off the paper.

Next, prepare the fruit.

3. Slice the banana creating the eye, nose and mouth
4. Select a blueberry for the eye.

Finally, put it all together!

5. Place the fruit to create a pirate face. Have fun. You can make the face that's in the picture or any design you prefer. This is your creation!
6. Enjoy munching!
